# MARK ALEXIS MACARILAY

 Delfin Albano, Isabela |  +63 961 718 9289 |  itdeveloper081124@gmail.com

## CAREER OBJECTIVE

Passionate and results-driven Software & Web Developer with solid experience in C#, .NET, PHP (Laravel), MySQL, and API integration. Skilled in building scalable applications, optimizing system performance, and delivering client-focused solutions. Looking for an opportunity to contribute technical expertise and innovation to a dynamic company while continuously growing as a professional.

## EDUCATION

Bachelor of Science in Information Technology
HGBaquiran College Inc. | 2018 – 2023

## PROFESSIONAL EXPERIENCE

### Software Engineer

Coredev Solutions Inc. | Jan 2024 – Present
- Designed and implemented desktop applications using C#, .NET, and Telerik UI, improving business processes such as Inventory, Bank Reconciliation, and Budget Management.
- Enhanced and maintained existing systems to ensure stability and client satisfaction.
- Performed MySQL database management including migration, merging, and stored procedures to improve data integrity and efficiency.
- Developed and deployed web applications (Laravel, PHP, JavaScript, API integrations) such as e-collect portals and e-services websites, increasing client accessibility and automation.

### Customer Service Representative

Alorica | Aug 2023 – Jan 2024
- Delivered excellent customer support for credit card clients, resolving technical and billing concerns.
- Strengthened communication, problem-solving, and client relationship skills, improving customer satisfaction ratings.
